

The 2019 Fall Cedar Slalom Race was Epoch!

Over 25 paddlers raced slalom on a warm November 10, 2019. Were they all young and in race boats? Nope. About half the racers participated in whitewater plastic boats and every age group and gender was represented from 12 year old Kira Andrews, to a robust Senior (19-29) Rec class, a full SOG class (60 and over) , two ZOGs (70 +). But the real treat was the entry from Thomas Rex (Cretaceous Division), Check out the video <https://www.youtube.com/watch?v=y6vw0k1IYxA&feature=youtu.be>

The stunning race results for the slalom are posted at www.nwwhitewater.org.

Thought the water was too low?? Wrong! 350 cfs was an excellent flow for a truly fun course designed by Bob Duffner, David Fleming and Dawn Meekhof.

In fact, it was all so much fun that a Slalom Paddle at the Cedar Gates will be offered once a month so come just us. Watch for details. First one: Sunday, November 17 at 10:00 AM. See WKC calendar of events. Also check out the League Facebook page <https://www.facebook.com/groups/152102868187311/>
