Trailer: 4x7 foot open top Uhaul trailer, license plate FR01492 (Oregon), containing rolled up raft, cooler, dry box, toilet, 2 kayaks

Kayaks: blue-green Jackson Dynamic Duo and red Dagger RPM

Raft: Aire 143R whitewater raft marked RR32

The trailer and contents were taken from near Milepost 33 on Highway 97 between Toppenish and Goldendale, just south of the Yakima/Klickitat County line, mid-day on Monday, July 3, after our car broke down and had to be towed into Yakima for repairs, and before we were able to secure a rental vehicle and retrieve the trailer.
